

Lindores Guest House

Lindores in Peebles has re-opened in August 2007 as a guest house/bed & breakfast again after 4 year; new owners have refurnished and upgraded the property.

The Lindores Guest House is a classic stone built late Victorian Town House situated on east of Peebles on main A72 tourist route convenient for touring Fife, Borders and Edinburgh, which offers superb accommodation, comfort and hospitality in the centre of Peebles, Scottish Borders.

The house is set in a residential area set amongst many fine Victorian villas and town houses with the impressive Peebles landmark of Glentress providing a beautiful backdrop.

We are situated 22 miles south of Edinburgh's Old Town and 72 miles from Glasgow Prestwick Airport.

We are near a main bus route with frequent services to and from the city of Edinburgh with links to the airport.

Come to us and enjoy an unforgettable stay. Information about our rooms and our freshly cooked or continental breakfast you will find within our web page.

We look forward to meeting you here with us at Peebles.
